This project is funded under the *eContentplus* programme¹,
a multiannual Community programme to make digital content in Europe more accessible, usable and exploitable.

¹ OJ L 79, 24.3.2005, p. 1.

Database of relevant conferences and events was constructed for BHL presentations. Some conferences were already attended and BHL-Europe was presented by oral or written presentations.

The database will be hosted and maintained by RBINS with regular updates to be uploaded to the BHLwiki (<https://bhl.wikispaces.com/Deliverables+M3>). Below, the status of events in that database is shown.
