## Monday, 04 June 2012

Meeting venue: Jerusalem Church, Lindenstrasse 85, 10969 Berlin

<http://www.besondere-orte.com/eventlocations/en/jerusalemchurch/getting-there.html>

Google Maps: <http://g.co/maps/jfkzc>

- 09:00-09:30      *Arrival, registration, coffee*
- 09:30-09:45      Welcome, introduction, housekeeping
- Johannes Vogel – General Director MfN
  - Katrin Vohland – NeFo Scientific Liaison Officer
  - Henning Scholz – BHL-Europe Coordinator
- 09:45-10:20      Keynote: Thomas Koetz (EC): 20 years CBD
- 10:20-10:50      Gregor Hagedorn (JKI): Identification is key
- 10:50-11:25      *Coffee break*
- 11:25-12:15      Identification and monitoring - Highlight talks
- Mark-Oliver Rödel (MfN): BIOTA – an international, interdisciplinary biodiversity project in Africa
  - Daniel Zitterbart (AWI): Anymals<sup>+plants</sup>, biodiversity in your palm
  - Christoph Häuser (MfN)
- 12:15-12:30      Identification and monitoring – Discussion & summary
- 12:30-13:30      *Lunch*
- 13:30-14:00      Poster presentation (see below for posters)
- 14:00-14:35      Research and training - Keynote  
Johannes Vogel (MfN): Living with biodiversity
- 14:35-15:20      Research and training - Highlight talks
- Isabella Van De Velde (RBINS): DEST – training future taxonomists and fueling their passion

- Irina Brake (NHM): Scratchpads as a research and publication platform
  - Antonio Valdecasas (CSIC): The weakest link - new models to assess biodiversity researchers
- 15:20-15:35      Research and training – Discussion & summary
- 15:35-16:00      *Coffee Break*
- 16:00-16:35      Exchange of information - Keynote  
Donald Hobern (GBIF): Sharing biodiversity information – what have we learned?
- 16:35-17:20      Exchange of information - Highlight talks
- Wouter Addink (ETI): Catalogue of Life - a Virtual Research Community to exchange data for enumerating the extent of life on earth
  - Elycia Wallis (Museum Victoria, Melbourne)
  - Marie Vandewalle (UFZ)
- 17:20-17:35      Exchange of information – Discussion & summary
- 17:35-17:45      Wrap-up and closure
- 19:00-22:00      *Under the dinosaurs - reception in MfN*

*Meeting place:*

*Dinosaur Hall through main entrance, Museum für Naturkunde, Invalidenstrasse 43, 10115 Berlin*

*<http://www.naturkundemuseum-berlin.de/en/besucherinfos/oeffnungszeiten-und-preise/>*

*Google Maps: <http://g.co/maps/dwfr4>*

### **Poster exhibition:**

- 1.) Laurence Bénichou (MNHN), Koen Martens (RBINS), Graham Higley (NHM), Isabelle Gérard (RMCA), Steven Dessen (NBGB), Daphné Duin - EJT: European Journal of Taxonomy
- 2.) Stijn Cooleman, Patricia Mergen, Michel Louette (RMCA) - Afrotropical bird content digitization at the RMCA: via LifeDesk to EOL
- 3.) Martin Kalfatovic (SIL) - The Global Biodiversity Heritage Library: A Global Picture of Taxonomic Literature
- 4.) Agnes Kirchhoff (BGBM) - Saving endangered Biodiversity Data - the reBiND Project
- 5.) Jiri Frank (NMP) - OpenUp!
- 6.) Constance Rinaldo (MCZ), Bianca Crowley (SIL), Boris Jacob (RMCA) - Biodiversity Heritage Library: Supporting Research with Open Content
- 7.) Vohland, K., Marquard, E., Paulsch, C., Heink, U., Häuser, C. L. - Mediating the science-policy dialogue at different scales
- 8.) TDWG - Biodiversity Information Standards
- 9.) The Biodiversity Heritage Library for Europe
- 10.) The GRIB – A Union Catalogue of and Scanning Management Tool for Natural History Libraries
- 11.) BLE - BHL-Europe's Virtual Exhibition
- 12.) Biodiversity Literature in Europeana
- 13.) BHL-Europe - Ancient knowledge in a new dress

## Tuesday, 05 June 2012

Meeting venue: Jerusalem Church, Lindenstrasse 85, 10969 Berlin

<http://www.besondere-orte.com/eventlocations/en/jerusalemchurch/getting-there.html>

Google Maps: <http://g.co/maps/jfkzc>

- 08:45-09:15      *Arrival, registration, coffee*
- 09:15-09:45      BHL-Europe – achievements, content/data workflow, architecture overview, tools, services [Henning Scholz]
- 09:45-10:15      Global BHL [Martin Kalfatovic]
- 10:15-10:45      Europeana: Update, content highlights, Europeana Portal – New functionalities and features [Lizzy Komen]
- 10:45-11:15      *Coffee*
- 11:15-11:35      OpenUp! – update and progress [Alexa Michel, Petra Böttinger]
- 11:35-11:50      BLE: Overview, demonstration, next steps [Jiri Frank]
- 11:50-11:57      Virtual Exhibition integrating BHL-Europe and OpenUp! content [Patricia Mergen]
- 11:58-12:05      Using Europeana's API Services [Boris Jacob]
- 12:05-12:30      GRIB: Overview, demonstration, next steps [Henning Scholz, Boris Jacob, Andreas Krausz]
- 12:30-13:30      *Lunch*
- 13:30-15:30      Pre-Ingest: Introduction, Training (content providers to learn how to work with their own data and go through all steps of the Pre-Ingest workflow actively) [Chris Sleep, Wolfgang Koller]
- 15:30-16:00      *Coffee*
- 16:00-17:00      BHL-Europe Portal: Introduction, highlights, live demonstration [Jiri Frank, Chris Sleep]
- 18:30              *Departure of ship for dinner cruise at Friedrichstrasse*  
Meeting point: 18:00, Weidendammer Bridge (Google Maps: <http://goo.gl/maps/fv7U>); this is where the Friedrichstrasse crosses the River Spree. Henning is waiting at the Southern End of the bridge (see maps).

## Wednesday, 06 June 2012

Meeting venue: Jerusalem Church, Lindenstrasse 85, 10969 Berlin

<http://www.besondere-orte.com/eventlocations/en/jerusalemchurch/getting-there.html>

Google Maps: <http://g.co/maps/jfkzc>

- 09:30-10:00      *Arrival, registration, coffee*
- 10:00-10:05      Welcome and introduction.  
Context, purpose and objectives of the review [Krister Olson]
- 10:05-10:20      Short overview of the project and its objectives [Henning Scholz]
- 10:20-10:25      WP3 overview [Graham Higley]
- 10:25-10:50      The BHL-Europe system: Process/storage/ data management/  
tools/ services/multilingual content [Chris Sleep]
- 10:50-11:10      Final Presentation of the BHL-Portal (Search/retrieval/advanced  
search; Indexing tools; Content viewers; Multilingual Community  
Portal) [Chris Sleep]
- 11:10-11:15      IPR solutions (BHL-Europe Source Code Licensing) [Chris Sleep]
- 11:15-11:20      OCR experience [Henning Scholz]
- 11:20-11:30      Link with EUROPEANA [Lizzy Komen]
- 11:30-11:45      *Coffee Break*
- 11:45-11:55      Virtual exhibition. Biodiversity Library Exhibition [Jiri Frank]
- 11:55-12:05      Dissemination and awareness activities (e.g. events) [Jiri Kvacek]
- 12:05-12:15      Best practices guidelines & standards [Henning Scholz]
- 12:15-12:30      Performance indicators (content/data providers); User surveys  
[Henning Scholz]
- 12:30-12:40      Sustainability – BHL-Europe services [Henning Scholz]
- 12:40-13:30      Questions & Answers session
- 13:30-14:15      *Lunch*
- 14:15-14:35      Meeting to discuss initial impressions and preliminary  
conclusions (without project representatives) [Krister Olson,  
Reviewers]
- 14:35-14:45      Preliminary feedback to the consortium on review conclusions  
[Krister Olson, Reviewers]
- 14:45-14:50      Closing remarks [Krister Olson]

18:30                      *Dinner at Brachvogel (Restaurant / Beer Garden)*

Meeting point: 18:15 main entrance of the Jerusalem Church – from there it is a walk of ~1km.
