

Deduplicated Survey Responses	Summary of Survey Responses	Associated Goal	Second Associated Goal
Provide free, global, online access to taxonomic literature, including original species descriptions	free access to taxonomic literature	Corpus of Biodiversity Literature	
Provide access to rare, difficult-to-locate literature	access to rare materials	Corpus of Biodiversity Literature	
Provide free, online, global access to general natural history and biodiversity literature	access to general natural history and biodiversity literature	Corpus of Biodiversity Literature	
Collaborate amongst partners, content providers, and users to build BHL	collaboration	Corpus of Biodiversity Literature	
Provide digital access to high quality scans	high quality scans	Corpus of Biodiversity Literature	
Establish BHL collection parameters and ensure that material available fits within that scope	vetted content	Corpus of Biodiversity Literature	
Ingest materials from diverse, global partners	diverse, global content providers	Corpus of Biodiversity Literature	Internationalize BHL
Ingest materials in all languages and from all countries	globally comprehensive collection	Corpus of Biodiversity Literature	
Ingest more relevant, already-scanned content from non-BHL partners	ingest more material from non-partners	Corpus of Biodiversity Literature	
Ingest Material Outside IA workflow	Non-IA Material	Corpus of Biodiversity Literature	
Analyze Current Collection to Identify Gaps	Collection Analysis	Corpus of Biodiversity Literature	
Increase in-copyright materials	In-copyright materials	Corpus of Biodiversity Literature	
Improve discoverability of BHL on external search engines and discovery services	external discoverability	Ensure BHL is widely known	
Evangelize BHL at conferences and in publications	conferences	Ensure BHL is widely known	

Deduplicated Survey Responses

Deduplicated Survey Responses	Summary of Survey Responses	Associated Goal	Second Associated Goal
Increase outreach activities in social media	social media	Ensure BHL is Widely known	
Promote BHL to institutional research staff	institutional research staff	Ensure BHL is Widely known	
Integrate BHL with other projects like Flickr & Wikipedia	Flickr & Wikipedia	Ensure BHL is Widely known	
Spread the Word about BHL via Press Releases, Newsletters, and Listservs	press updates	Ensure BHL is Widely known	
Place Ads for BHL in appropriate venues	BHL Ads	Ensure BHL is Widely known	
Promote BHL within the higher education community	higher education promotion	Ensure BHL is Widely known	
Integrate BHL in OPACs and other Library Services	integrate in library services	Ensure BHL is Widely known	Improve Efficiency?
Integrate BHL into Natural History Exhibits	Natural History Exhibits	Ensure BHL is Widely Known	
Develop a definitive, globally accepted brand for BHL	Brand BHL	Ensure BHL is Widely Known	Internationalize BHL
Allow users to download content	user content downloads	Improve Access	
Allow users to access material while working in the field or away from their computer	remote access to literature	Improve Access	
Provide open access to all BHL data through exports and APIs	APIs and exports	Improve Access	
Allow users to search BHL content on species names	search on species names	Improve Access	Improve Efficiency
Enable easy access to BHL images	BHL images	Improve Access	
Allow users to easily download high resolution images	high resolution images	Improve Access	
Allow custom PDF generation	Custom PDF generation	Improve Access	Improve Efficiency
Provide article-level access	article-level access	Improve Access?	Improve Efficiency?

Deduplicated Survey Responses

Deduplicated Survey Responses	Summary of Survey Responses	Associated Goal	Second Associated Goal
Allow crowd-sourcing for improvement	Crowd-Sourcing	Improve Access?	Improve Efficiency?
Allow users to tag and annotate content	Augment Content	Improve Access?	
Improve and Develop BHL based on user feedback	user feedback	Improve Efficiency	
Ingest high quality metadata, which is continually improved	high quality metadata	Improve Efficiency	
Ensure intuitive UI	easy-to-use	Improve Efficiency	
Index material to allow it to be easily searched and browsed under a variety of parameters	quality indexing	Improve Efficiency	
Partner with & link to other Biodiversity Projects, not necessarily literature projects	Partner with Biodiversity Projects	Improve Efficiency	
Improve OCR	Improve OCR	Improve Efficiency	
Scan materials based on user requests	scan requests	Improve Efficiency?	Corpus of Biodiversity Literature
Provide full-text searching of material	full-text searching	Improve Efficiency?	
Create Mobile BHL	Mobile BHL	Improve Efficiency?	
Make BHL Portal Multilingual	Multilingual	Internationalize BHL	
Synchronize Content Globally	Synchronize Content	Internationalize BHL	
Create more global nodes	global nodes	Internationalize BHL?	
Pursue new Grant Proposals	grants	Sustain BHL	
Reinforce Commitment of Staff	Staff Commitment	Sustain BHL	
Encouraged continued and increased commitment at the Steering Committee Level	Institutional Dues	Sustain BHL	
Increase Fundraising Activities	Fundraising	Sustain BHL	
Develop Financial Sustainability Model	Financial Sustainability Model	Sustain BHL	

Deduplicated Survey Responses
